Experience our CARVER'S Cruise to Bermuda featuring Pam & Pete Gresham onboard the "ms Veendam" June 24, 2012

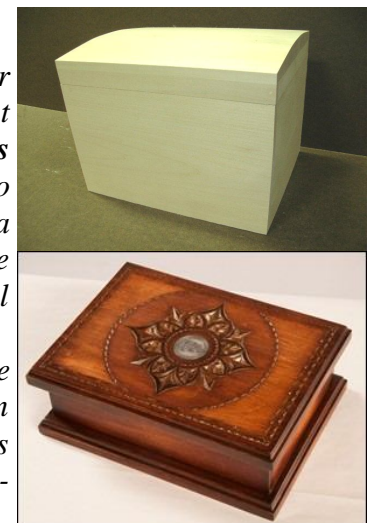

CHANGE PLAIN INTO BEAUTIFUL!

When Pam Gresham was asked to make memory boxes for Silver Dollar City's 50th Anniversary, the boxes became so popular, she could not keep up with the demand. Pam and her husband Pete, both master carvers from Branson will show you how to carve your own "Treasure Chest" to remember this cruise. A design just for the CARVERS Cruise will feature a traditional Chippendale style shell motif as seen on many pieces of furniture designed by Pete. Of course there will be chip carving from Pam. You will also be able to review or learn lettering skills to personalize your box.

Pam is the carver in residence at Silver Dollar City, an 1890s-style theme park, near Branson, MO. She recently restored an antique wooden carousel. In addition to rides, shows and a water park, many artisans showcase American traditional crafts. It's the home of Valley Road Wood-carvers where several carvers demonstrate their art.
